

Villa Valencia's Groundbreaking & Reception

Posted on: June 27th, 2019

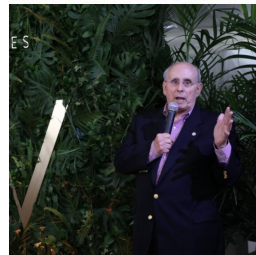

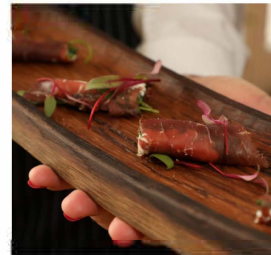

Thursday, June 27, 5pm-8pm – Villa Valencia, 515 Valencia Ave, Coral Gables

Location Ventures hosted a boutique luxury condo **Villa Valencia's** groundbreaking celebration, featuring ceremony and reception with drinks and bites held on the grounds in an exclusive air-conditioned tent.

Villa Valencia will feature 39 luxury condominium residences spread over 13 floors, from 2616 to 6263 square feet, offering true privacy within a rich city lifestyle. Each residence boasts at least one corner exposure and the building is crowned by three Penthouses – two half-floor Lower Penthouses and a grand Upper Penthouse encompassing the entire top level. The development is scheduled for completion in 2021. Sales for available units range in price from \$1,650,000 to over \$10,500,000.

Villa Valencia will bring together world-class services, cutting-edge technology, sophisticated design and a passion for nature in one limited collection of stately sky homes, with amenities focused on entertainment. For days indoors there are spaces to eat and play all day, including a team room for breakfasts, a cucina for hosting large dinner parties, and a space with billiards, golf and driving simulators. For movie nights, settle into the private theater to screen the latest blockbusters. #515Valencia
